

# SAVE THE DATE

## EARLY REACH

### AN EARLY CHILDHOOD APPROACH TO MULTICULTURAL EDUCATION

An expanded version of REACH that focuses on the early years, birth to age 8. Training aligns with key standards—NAEYC Cultural Competence Benchmarks, Head Start Dual Language Checklist, Center for Research on Education, Diversity & Excellence Standards, Washington State's Early Learning & Development Guidelines, and others.

Addresses diversity and equity issues through developmentally appropriate practices. Developed in collaboration with the Seattle-based Culturally Relevant / Anti-Bias (CRAB) Education Leadership Group.

**February 22 & March 1, 2013**

**Green River Community College  
Kent Station Campus**

**A collaboration of the REACH Center, Center for Excellence for Careers in Education at Green River Community College, WWU's Woodring College/Center for Education, Equity & Diversity, and Highline Community College.**

#### Content will include:

- REACH Basic Principles
- Ethnic/Cultural Perspectives
- Parent Panel
- Understanding Prejudice, Power & Diversity
- Early Childhood Scenarios
- Children's Identity Development
- Anti-Bias Education Goals
- Working with Families
- Adapting Classroom Curriculum
- Moving to Action
- ...and much, much more!
